FEATURED PARTNER

Forgestik Inc

Best Builders, a family-operated business established in 1995, crafts Metro Vancouver's finest custom homes and renovations, underscored by a trove of awards and delighted clientele. What sets them apart is their dedicated attention to detail for each individual customer. Offering a personalized journey from concept to completion, they ensure that their clients visions come to life.

Customer Challenges

- Inefficient and time-consuming manual processes
- Inconsistent delivery of updated client and management report
- High admin labor cost and added non-value work.

Solution

- Increased timeliness, efficiency and accuracy of delivered reports

Results

- Reduced admin labor costs
- Accounting processes and report delivery is more streamlined and efficient

"QUICK PAYBACK ON INVESTMENT FROM REDUCED STAFFING COSTS"
