Kypross S.A. improved its processing times and streamlined its invoicing with B1 Usability Package

Kypross S.A. is a company that imports, manufactures, and distributes high-quality food solutions for the Food Service, Retail, Direct Sales, and Industrial lines. They have 20 years of experience in the Ecuadorian market and their products are manufactured through the IQF "Individual Quick Freezing" process, which is a process of industrial deep-freezing of the product individually and quickly.

Customer Challenges

- Streamline processes in the Operations area.
- Warehouse managers and production coordinator were impacted.

Solution

- Real-time visibility.
- The requirement set to the partner was carried out according to the plan.

Results

- Improved processing times.
- Streamlined invoicing.

"IT WORKS VERY WELL. THE REQUIREMENT SET TO THE PARTNER WAS CARRIED OUT ACCORDING TO PLAN."
